# 2015 REDWOOD SPORTS CAR CLUB PRECISION DRIVING SCHOOL DRIVER'S CHECKLIST

The car you participate in should be in good working order. For your information and so there are no surprises at the tech inspection please be sure your car meets the following criteria:

- \*Battery should be secured.
- \*Measurable tread depth on all tires. No cords showing.
- \*Suspension should be in good condition. Bushings, steering, and wheel bearings should all be within factory specs.
- \*Brake fluid flush within the last year. (Recommended for safety)
- \*No major fluid leaks.

Things you should bring with you to the track:

- \*Driver's license (or learner's permit)
- \*Parental/Guardian consent form (if under 18)
- \*Helmet (if you have one it must be DOT or Snell approved. There will be a limited number of loaner helmets at the track.)
- \*Appropriate attire. (Warm clothes. Closed toe shoes. Rain gear. Sunscreen. A hat is advisable.)

Things to remember for school:

- \*NO LOOSE OBJECTS IN CAR!
- \*Tire pressures should be set before heading to Samoa. 5 to 10 PSI higher than you would normally run on the street. Bring a tire pressure gauge if possible.
- \*Fuel up your car before heading out to breakfast at Samoa Cookhouse. There are no gas stations once you cross the bridge to Samoa. Be sure you have enough fuel to make it through the day.
- \*Bring your enthusiasm and willingness to learn!
