Hoopla Hillclimb

July 25 - 26, 2015

Brought to you by

The Redwood Sports Car Club

Sanctioned by the Northwest
Hillclimb Association

Thanks to
The Hoopa Valley Indian Reservation
Tribal Council and Residents

Welcome to Hoopa 2015!

The Redwood Sports Car Club and the Hoopa Valley Indian Reservation welcome Hillclimbers July 25th & 26th for the 27th running of the Hoopa Hillclimb.

New this year: online registration and payment! You can use a computer or smartphone, no need for a printer, paper checks, or stamps. Motorsportreg.com is handling it but it's not listed as a public event. You'll find the link to registration at our website, rsc.net

CAUTION: Hillclimbing is definitely not for beginning drivers, consequently, the RSCC reserves the right to refuse any participant. The Hill is fun to drive as well as being difficult to master at speed, so caution is most definitely recommended for those who have never seen the Hill. **A MANDATORY Drivers School for first-time Hillclimbers will be held Friday evening after Tech** - see the schedule for location & time.

NO IMPROMPTU PRACTICE: There will be absolutely NO "practices" on the Hill at anytime. We could lose our site for violation. Violations of this rule will result in immediate disqualification with no refund. The hill may be driven in street legal cars, following all traffic laws, prior to 7:00 am each day.

TECH: Expect a rigorous, off-trailer session. Any car which goes "off-course" during a run will be expected to be re-teched before it is allowed to run again. Battery hold-downs must be either of the stock type or a solid metal clamping device. Elastic cords are not acceptable. Tires that will be used on the Hill must be at tech for inspection. Any alteration made to the car after tech must be cleared with the tech inspector. No open holes are allowed in the bulkheads between the engine and the driver or between the fuel tank and the driver. Helmets and drivers licenses will be checked at this time.

A MANDATORY drivers meeting will be held each morning. Failure to attend will be considered grounds for disqualification or forfeiture of your first run.

WORKERS: All drivers will work or provide one worker per car driven on the day(s) you participate in this event. We will need corner workers and you can expect to be called upon to help.

RELEASE WAIVERS: All participants, pit crews, spectators, etc., must sign the insurance release form.

CAR NUMBERS & PITS: These will be assigned on a first come-first served basis and verified by email or phone call. Other info, rules, etc. will be provided at the event and will take precedent over any other printed material. Car numbers and NHA stickers must be visible from both sides of the car, no exceptions.

MUFFLERS: Spark arrestor type mufflers are required.

AWARDS will be given on the following basis:

- 1 to 4 cars in a class – 1 award
- 5 to 8 cars in a class – 2 awards
- 9 or more cars in a class - 3 awards

Done Right. Done on Time.

Leon's Car Care Center

929 Broadway Eureka, CA 95501 (Highway 101 at Washington)
707 444-9636 or 800 543-7858 · leons-carcare.com

FOOD: There will be snacks & drinks available for sale at the hill. Joe's Deli will be making bag lunches and delivering them to us on Saturday and Sunday, but only if you place your order by Friday, at the latest. Local businesses are a big part of why we are able to keep the Hillclimb, so please support them. There will be an awesome Tri-tip dinner with all the fixins on Saturday night at the Community Center. Included for two-day drivers, \$20 for everybody else. Sorry "No Credit Cards", cash or checks only.

RUNS: Two runs per day per driver.

REFUNDS: Refunds will be available only at the Registrar's discretion and requests must be received by the end of Friday's tech inspection. 5% fee on refunds.

DRIVERS must wear a helmet which must be an approved Snell 2000 or newer. Drivers must wear shoes, long sleeved shirts and long pants, made of cotton or Nomex, while on their runs. Driver's Suits are strongly recommended. Always buy the best safety equipment that you can afford.

SAFETY EQUIPMENT: Shoulder harnesses and/or cross chest harnesses are mandatory. All open cars must have roll bars that are above the drivers helmet, adequately braced, and be constructed to S.C.C.A. GCR specifications. GCR reg.18.1.2 states - Forward braces and portions of the main hoop subject to contact by the driver's helmet shall be padded with non-resilient material such as Ethafoam or Ensolite or other similar material with a minimum thickness of one-half inch. Integrated roll bars, such as Corvette & Porsche "Targas", etc. are acceptable. The driver's side window must be rolled up, or a window net or arm restraints used. ROAD RACE CARS: GCR ROLL BARS are required. Arm restraints strongly recommended in all open-top cars.

FIRE EXTINGUISHERS or fire systems are mandatory in all cars. They must be mounted using a metal bracket, be within easy reach of the driver or a safety official, and must be a minimum 5BC rating. They must be professionally tested and tagged within 13 months of the event.

FULL RULES AT: <http://nhahillclimb.org/NHA-rules.html>

This year, the banquet and awards ceremony will be at the Community Center. It's new to us, check the map. Dusty blue, looks like a church, no sign, south on Pine Creek Road, the same road we take to get to the hill.

SATURDAY BARBECUE (\$20.00 each)

Usually Tri-Tip steak, salads, beans, bread, drinks, and desserts! Fabulous!

These folks help us get the use of the Hill, our support for them is great for us!

LUNCH (\$10.00 each)

We're really happy that **Joe's Deli** is making lunches for us this year. Check out their reviews on the web, their sandwiches sound great. If you want to feed your hungry crew, this is the simplest way at Hoopa. Use the handy lunch order form to order now, mailing it with your entry form or you must place your order and pay by tech on Friday at the latest. Make copies as needed (one form per meal, per person) include \$10.00 for each lunch, which includes a sandwich, drink, and perhaps chips or cookie.

Avoid mutiny, keep your crew fed!
